Dear Parents/Carers,

Year R Phase 2 Phonics Workshop

Monday 21st September 2.45-3.15pm

We would like to invite you to the Phase 2 Phonics Workshop we are running on Monday 21st September at 2.45pm in the Hall.

We will talk about the Little Wandle Letters and Sounds Revised scheme and how it is being taught in school. We will also discuss how learning is embedded at home through homework and reading.

Little Wandle Letters and Sounds Revised
Little Wandle Letters and Sounds revised is a complete systematic synthetic phonics programme developed for schools by schools. Based on the original government Letters and Sounds programme, this extensively revised and enhanced approach provides a comprehensive phonics curriculum that meets all National Curriculum requirements while equipping children with the knowledge and skills to exceed the expectations of the Phonics Screening Check. Little Wandle is a fully resourced scheme, with a clear progression through the phases, matched with fully decodable books.

We will also go through the reading expectations in Early Years and where additional resources can be found online to support your child at home.

Yours sincerely,

Blandford
