Dear Parent/Carer,

Year 2 Visit to High Wycombe Fire Station
Tuesday 18th November 2025

As part of our History topic of The Great Fire of London, a visit has been arranged to High Wycombe Fire Station. Studying the Great Fire of London helps children understand how events in the past have shaped and improved safety measures we have today. Through learning about the fire and its impact, they gain insight into how communities responded to challenges and how the event led to advancements in fire safety and city planning.

Whilst at the Fire Station, we will be learning about the services the Fire Brigade provide to our local community now and finding out how these differ to the services provided in 1666.

Please ensure your child comes to school in full school uniform that morning.

We will be walking to the Fire Station, leaving shortly after afternoon registration and returning to school for 3:15pm.

Due to the nature of this visit there is no cost involved.

Yours sincerely
