November 2025

Dear Parents/ Carers

Hot Chocolate at Forest School

With the colder weather approaching, we will continue to visit Forest School each week (weather permitting) throughout the Autumn Term.

To make these sessions extra special and cosy for the children, we will be offering warm hot chocolate during our weekly Forest School visits. This will provide a lovely opportunity to support the children's communication and language development as they enjoy time together outdoors.

Please note that the hot chocolate provided will be suitable for vegetarians.

We look forward to continuing our Forest School adventures each week and creating memorable experiences for the children!

Please complete the link below by Monday 24th November 2025.
