November 2025

Dear Parents/ Carers

### **DT Biscuit Tasting**

As part of our Design and Technology unit this term, Year 5 are learning about designing and making Christmas biscuits. To help inspire their own biscuit designs, we will be holding a biscuit tasting session in class on Friday 28<sup>th</sup> November 2025.

During this activity, the children will have the opportunity to taste and evaluate a selection of biscuits, including **shortbread, gingerbread, Party Rings, custard creams, and chocolate chip cookies**. They will be encouraged to think about the flavour, texture, and appearance of each biscuit before designing their own festive creation later in the unit. All biscuits will be nut free.

Please complete the link below by Monday 24<sup>th</sup> November 2025:

We are looking forward to a fun and creative session that will help the children develop their understanding of food design and evaluation.

Yours sincerely,

Miss Blandford
