with you*

18th November 2025

Dear Parent/Carer,

Year 3 Bread and Sandwich Making

This half term, Year 3's D.T project is making sandwiches. We will be learning about how we can make a healthier sandwich at home, focusing on ensuring we eat a range of foods from the "Eat Well Plate".

Thursday 4th December – Baking Bread

Children will be baking bread rolls on **Thursday 4th December**. To ensure we cater for a range of allergies we will be baking with gluten free flour. Please complete the online form to let us know whether or not your child is allowed to eat the bread that they bake.

<https://forms.office.com/e/nhNiGfEFW4>

Friday 5th December – Making Sandwiches

On **Friday 5th December**, children will then make their sandwiches using the bread roll baked the day before. The children will design their sandwiches on Fri 28th November and will bring a note back home with their chosen sandwich fillings. Children will then need to bring in their sandwich fillings, in a named container, on the morning of **Friday 5th December**. The children will then be able to eat their sandwiches at school as a morning snack. (Please provide your child with lunch as normal).

Please note that we are a nut free school. Children will not be able to bring in any sandwich fillings containing nuts, such as peanut butter or Nutella.

I will also ensure that vegetarians will not use the same equipment as those with meat to avoid cross contamination.

If you have any queries concerning the above, please contact me at your earliest convenience.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R. Smith'.

Mr. R Smith
Year 3 Teacher
