November 2025

Dear Parent/Carer,

### **Year 4 and 6- School Health and Wellbeing Survey 2025.**

I am writing to inform you that we have registered to participate in SHEU (Schools Health Education Unit) School Health and Wellbeing Survey 2025.

This survey is completed biannually by Year 4 and 6 primary aged pupils and covers a wide range of topics, including; mental health, bullying, community safety, substance use, healthy eating, physical activity, online safety, safeguarding and more.

Each questionnaire is anonymous and confidential, and no pupil will be identified when the data is returned. As a school, we will receive a confidential, detailed report that can support the evaluation and development of our curriculum which will contribute to improved health and wellbeing outcomes for our pupils.

We will assume you are happy for your child to participate unless we hear otherwise by Monday 24<sup>th</sup> November. The survey will be completed in the next 2 weeks. Thank you in advance for your support, our participation in this survey will help shape services for young people as well inform our own future curriculum at HWCE.

Yours sincerely,

Assistant Headteacher, Year 5.
