Dear Parents/Carers

Wycombe Wanderers Player Visit
Tuesday 13th January 2026

Thanks to our partnership with Wycombe Wanderers FC, as part of their provision for our Games lessons, we are fortunate to have one of the senior team visiting us next Tuesday afternoon to meet the children in Year 3 and Year 4 and assist with their lessons. If time allows, the player will also tour the school to meet other classes.

Wycombe Wanderers will be bringing their media officer with them to take photographs of the Year 3 and 4 classes for use on their social media pages. For this reason, we require parental permission for this to occur. Please could I ask you to complete the attached form from Wycombe Wanderers if you are happy to have your child photographed with the player and for it to be used on the club's social media pages.

If you decline permission, or if this form is not returned, we will ensure that your child is not photographed by Wycombe Wanderers on the day.

Yours sincerely,

Mr C Burgin
Subject Lead – Physical Education
