Dear Parent/Carer

Feedback on our Website

We would really appreciate your feedback following the recent launch of our new website.

We were delighted to announce the launch of our brand-new school website - www.hwce.co.uk. The site has been completely redesigned with a modern look, clear layout, and accessible information about life at High Wycombe C of E School.

Guided by our Christian vision to “Be strong and courageous,” the new website celebrates our values and community, serving as both a helpful hub for families and a welcoming brochure for those wishing to learn more about our school.

We’d love to hear your thoughts!

Please would you kindly spare a couple of minutes to share your opinion – it is so valuable in helping us shape and improve the website to make it as user friendly and informative as possible.

Please find a link below to our questionnaire.
