4th February 2026

Dear Parents and Carers,

On **Friday 13th February**, Year 2 will be making their own **fruit salads** as part of a fun and practical classroom activity. The children are very excited and will be bringing their fruit salads home at the end of the day to enjoy!

To help us with this, please could your child bring in a **clean, named Tupperware container** by **Thursday 12th February**, so they have something suitable to take their fruit salad home in.

The fruits we will be using are **bananas, pears, strawberries and mango**, as these are easier for Year 2 children to handle and cut safely with child-friendly utensils.

Please complete the linked form by Monday 9th February.

Parents and carers are asked to **complete the permission form by Monday 9th February**. If we do not receive a completed form by this date, **your child will unfortunately be unable to taste the food**, in line with our food safety and allergy procedures.

Yours sincerely
