with you*

23rd February 2026

Dear Parent/Carer

Come and Read

This term we will be having a weekly 'Come and Read' session. These sessions will be on Tuesdays from 3:00 to 3:15pm. This is an opportunity for parents or carers to bring in and share their (or their child's!) favourite children's books with the class.

As a school we want to be able to offer as much support to families and their children as possible. The more help, support and guidance children receive at this young age, the better their future development and successful learning. A 'Come and Read' session allows parents and children to celebrate and develop a passion for reading through sharing a story together.

Please could you fill in the forms by Friday 27th February, which will allow us time to inform you which week you will be selected to read your chosen book.
