the Lord your God is
with you*

Monday 2nd March 2026

Dear Parent/ Carer

Early Years Communication Week
2nd-6th March 2026

This week we will be celebrating **Communication Week 2026** in school, led by Buckinghamshire's Early Years Service. The focus of the week is encouraging children to *chat, play and read* as much as possible, helping to build their confidence, vocabulary and love of books.

In school, children will take part in a range of fun language-based activities including storytelling, singing rhymes, memory games and turn-taking games. You can support at home by sharing a bedtime story (remember – a book beats a screen!), chatting on the walk to school, playing “I Spy,” or visiting your local library. Simple everyday conversations make a big difference.

Below is the link to our class page which includes rhymes and a Parent Card (created by the Buck's Early Years Team) full of ideas to support communication and language at home.

Reminders of events also taking place this week:

- **World Book Day – Thursday 5th March**- Children are invited to come dressed as a favourite book character and bring in a favourite story to share.
- **Games Afternoon – Thursday 5th March** – We will be enjoying an afternoon of board games to support speaking and listening skills.

Thank you for your continued support.

Yours sincerely,

Miss Blandford
Reception Class Teacher
