Monday 13th April 2026

Dear Parent/Carer,

Year 5 – RE Curriculum Morning: Christianity in Poland and the USA – Friday 17th April

As part of our RE curriculum morning, Year 5 pupils will be learning about Christianity in Poland and the USA. To enrich this experience, one of our parents will be visiting to share how they celebrate a Christian Seder, and the children will have the opportunity to taste some associated foods.

The children will also be given a Polish sweet to take home at the end of the day.

Please complete the online form by **Wednesday 15th April** to indicate whether your child is permitted to taste these foods and to inform us of any dietary requirements or allergies.

<https://forms.cloud.microsoft/e/ZJDAmTkyUP>

If we do not receive a response, your child will not be able to take part in the food tasting activity. Please note that we will not be making reminder phone calls regarding this.

Thank you for your support.

Yours sincerely,

Mrs Wells

RE Co-ordinator
