Dear Parent/Carer

Our SIAMS Inspection Report: Celebrating Our Church School Community

We are delighted to share the final report from our recent SIAMS (Statutory Inspection of Anglican and Methodist Schools) inspection.

What is SIAMS?

SIAMS inspections look at how well we live out our Christian vision and values in every aspect of school life. During the inspection, the inspector spent time with pupils, staff, governors and members of our church community, observed learning and collective worship, and explored how our vision shapes daily experiences for everyone in school.

What did the inspection find?

We are incredibly proud that the report recognises High Wycombe Church of England School as a place where *“pupils and adults flourish”*

The inspection highlights many significant strengths, including:

- **A deeply embedded Christian vision and values** that are clearly understood and lived out by pupils and adults, guiding behaviour and decision-making
- **A strong sense of spirituality**, with meaningful opportunities for pupils to reflect on awe and wonder in the world around them
- **Engaging and inclusive collective worship**, where pupils participate enthusiastically and develop spiritually
- **An inclusive and caring school culture**, where every child is valued as an individual and supported to thrive
- **High-quality Religious Education**, which inspires curiosity and enthusiasm in pupils

The report also celebrates how our pupils grow in confidence, courage and compassion, living out our vision of being *“strong and courageous”* in their learning and relationships.

What happens next?

As part of the inspection, one development point was identified:

- To further develop pupils' understanding of religion as it is lived around the world, particularly by deepening knowledge of the diversity within Christianity

This is an area we had already identified as part of our ongoing school development, and we are excited to continue strengthening this aspect of our curriculum.

We would like to say a heartfelt thank you to our whole school community - pupils, staff, governors, parents and our church partners. Your support, commitment and shared belief in our vision make our school such a special place.

Yours sincerely
