1st May 2026

Dear Parent/Carer

Food Tasting – Science Lesson

In next week's Science lesson, the class are exploring our five senses. As part of the lesson, they will be blindfold tasting certain foods in order to explore our sense of taste. These foods will be:

- Plain/dark chocolate
- Lemon
- Pretzels
- Cream Crackers
- Party Rings

As with any task involving food, we require your permission to state whether your child is allowed to taste these foods for dietary reasons.

<https://forms.cloud.microsoft/e/u4ydmcCEZh>

Please could you fill in the online form by **9am Tuesday 5th May**.

If we do not receive a response your child will be unable to taste the foods.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Chris Burgin'.
