courageous.....for  
the Lord your God is  
with you*

Dear Parent/ Carer,

### **Walk to School Week 2026 - 18<sup>th</sup> May 2026**

Our school will be taking part in the Living Streets Walk to School Week on the 18<sup>th</sup> May 2026. This nationwide event is organised by 'Living Streets' and designed to help pupils learn about the importance of travelling to school sustainably.

The Living Streets Walk to School Week is an initiative that promotes walking, cycling, scooting and park-and-stride as the most sustainable way to travel to school. It is designed to highlight the numerous benefits of sustainable travel, including improved physical fitness, better concentration in school, and a positive impact on the environment by reducing carbon emissions.

This year's theme is 'Mission Move'. For each day of the fun challenge, children can discover how active travel can make us feel healthier and happier, learn about road safety, help us connect with friends and family – and more!

### **What do I need to do as a Parent/Carer?**

We would ask, if possible, to make arrangements so that your child/children can walk, cycle, scooter or park-and-stride to school, helping our school reduce congestion and pollution around the school gates. In return, your child will earn rewards across the week.

Thank you in advance for your cooperation

Mr R Smith  
School Travel Plan Lead
