Dear Parent/Carer

**Family Concert - Thursday 18<sup>th</sup> June 2026 at 6.30pm**

The Family Concert has been a highly successful and enjoyable feature of the musical diary at High Wycombe C of E School for a number of years and I am delighted to say that we are able to perform again this year. Everyone is invited to come and join in the fun of the concert, whether your child is performing or not.

**Instrumental Teachers** – Our instrumental teachers have been invited to join us for this concert so parents can have the opportunity of meeting them informally.

**The concert will include items performed by the following groups so please ensure your child attends all rehearsals promptly in the run up to this event:**

- **Choir**
- **VOS**
- **Instrumental Ensemble**
  
- **Group and Solo Items -**

**Instrumental lessons in school**

Our in school instrumental teachers are working with the children to prepare those who are willing and able to perform for us in groups and, in a few cases, as soloists. Instrumental teachers will let me know who has something ready to perform and will let the children know after half term. To be considered for this, please indicate on the form what piece of music your child is able to play and who has composed the piece of music.

**Instrumental lessons outside of school**

If your child learns an instrument outside of school and has a piece of music that they would like to share and that is concert ready please also indicate on the form the title and composer of the piece.

Please don't worry if your child isn't selected to play a solo piece in the Family Concert as priority for this will be given to the older children. If your child isn't selected and has a piece of music they would like to share, I would love to hear them and I invite them to perform to their classes in their music lessons. I really want to encourage anyone to perform in this setting as it would be lovely to celebrate their hard work and for them to gain performance skills before performing in a larger setting.

- **Family and friends groups.** These groups, made up of any combination of C of E pupils, older siblings, parents and /or friends are real highlights in our concert, so please do consider whether you could offer an item for the programme.

Please complete the online form if you wish your child to take part in this Family Concert in either a solo or group setting (including choir, VOS and instrumental group) before **9am Monday 1<sup>st</sup> June** (even if you don't know exact details yet) so we can plan the programme.

If your child is performing on their instrument, please note that there will be a rehearsal during the school day on Thursday 18<sup>th</sup> June so please ensure that he/she remembers his/her instrument on that day.

**Please note that all children performing in the concert must be accompanied by an adult.**

Yours sincerely

Mrs Wells  
(Music Specialist Teacher)
