Dear Parent/Carer,

THE BIG FUTURE SURVEY

Over the next few weeks, children in school will be taking part in *The Big Future* survey, led by the Children's Commissioner for England, Dame Rachel de Souza.

The survey gives children an opportunity to share their views about childhood today, including the things they enjoy, the challenges they face, and the changes they would like to see for the future. The aim is to ensure that children's voices are heard by those who make decisions that affect their lives.

The survey is open to children across England and will help provide a better understanding of their experiences, hopes, and concerns. If you would like to find out more about The Big Future survey, you may visit the website:

Yours sincerely,

Assistant Headteacher.
