the Lord your God is
with you*

June 2026

Dear Parent/Carer,

Year 6 Food Tech

This half term, Year 6's Design and Technology project is inspired by our learning about **South America** in Geography and **the Maya** in History. As part of the unit, the children will design and make a balanced three-course meal to celebrate the end of their time at primary school.

The menu will include:

- **Starter:** Guacamole with tortilla chips
- **Main:** Chicken fajitas with homemade tortillas
- **Dessert:** Chocolate cheesecake

As part of the design process, each child will personalise their meal by selecting a small number of additional ingredients to enhance the flavour or presentation of each course. During their DT lessons, they will research ingredient prices, consider value for money and select their ingredients within a set budget.

The school will provide all of the base ingredients, including:

- Flour
- Oil
- Salt
- Chicken (halal available)
- Onion
- Red pepper
- Paprika
- Lime
- Avocados
- Tortilla chips
- Digestive biscuits
- Butter
- Chocolate
- Double cream
- Cream cheese
- Sugar

We ask that each child brings in **their chosen additional ingredients** for personalising their meal. These will be selected during their DT lessons. We will let you know exactly which ingredients your child has chosen once they have completed their design work.

Please ensure these ingredients are brought into school on **Monday 13th July**, ready for our cooking day.

The children will bring their finished food home on **Tuesday 14th July** for you to enjoy together. Please ensure your child brings a suitable carrier bag on Tuesday to help transport their food home safely.

Children will have the opportunity to taste the food they have made if they wish to. Pupils do not have to eat any of the food they prepare, even if permission has been given.

Please complete the linked consent form by **Friday 3rd July**:

<https://forms.cloud.microsoft/e/CA3xx9YJLE>

If your child has any allergies, dietary requirements or food intolerances that we should be aware of, please ensure these are included on the consent form.

If you have any questions regarding this project, please do not hesitate to contact me.

Thank you for your continued support.

Many Thanks,

Miss L. Hawkins
Year 6 Teacher
