Dear Parent/Carer

Key Stage 2 Results Time Table Change

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7 July 2026. However, Pearson Education Ltd, the provider responsible for administering, marking and returning Key Stage 2 results to schools, has informed the Department of Education of a delay affecting the National system used to make results available to schools. Results will now be available on 16 July 2026.

We know that this is frustrating and we share this feeling. However, it won't get in the way of celebrating everything your child has achieved at the end of their primary school journey.

Importantly, the delay is not related to the quality of the tests or the accuracy of the pupil's results. Test papers have been marked in line with the usual processes.

This will not impact your child's transition to secondary school, and no action is required from parents or pupils. We will share results with you as quickly as possible after we receive them on 16 July.

Thank you for your patience and understanding.

If you have any questions, please contact the school office.

Yours sincerely

Celine Hawkins
