14th July 2026

Dear Parents and Carers,

Year 6 Maths SATs Tuition Club – Autumn Term

I am delighted to invite your child to take part in our Year 6 Maths SATs Tuition Club, running on Wednesdays after school throughout the Autumn Term.

As a school we are committed to supporting every pupil to reach their full potential. The end of Key Stage 2 SATs, which your child will sit in May, play a key role in understanding their current attainment and supporting a smooth transition to secondary school.

I have carefully selected a small group of pupils who would greatly benefit from some extra support and confidence-building in Maths. Your child has been chosen because we believe, with a little additional help, they are highly capable of achieving the expected standard—setting them up for success not just in SATs, but as they move forward in their education.

About the Club:

- **When:** Tuesdays after school, from 8/9/2026 to 15/12/2026
- **Time:** 15:15–16:15
- **Where:** Year 6 Classroom
- **Led by:** Miss Hawkins

During these sessions, we will:

- Focus on boosting key Maths skills and filling any gaps in knowledge
- Practise SATs-style questions and explore strategies for success
- Build confidence and a positive mindset towards Maths
-

This club is designed to be a supportive and encouraging space where your child can ask questions, practise new strategies, and gain the confidence they need to excel. Consistent support has been shown to make a significant difference, and we are confident your child will benefit from attending.

If your child achieves the expected standard before the end of the Autumn term, they will ‘graduate’ from the club and will not need to continue attending.

Next steps:

Please complete the online form by 9am on Monday 20th July to confirm whether your child will be attending: <https://forms.cloud.microsoft/e/25uwkGRJeG>

If you have any questions, or would like to discuss this further, please do not hesitate to contact me.

Yours sincerely

Miss L. Hawkins
Year 6 Class Teacher
