

BOOK

Summer lovin'

from Mrs Margerison

The 13-Storey Treehouse – Andy Griffiths

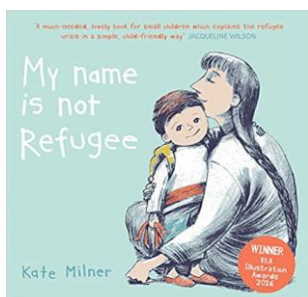

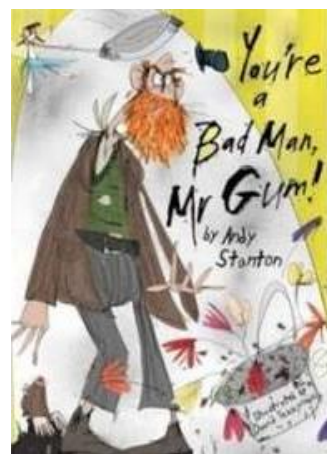

This is the first book in Andy Griffiths and Terry Denton's wacky treehouse adventures, where the laugh-out-loud story is told through a combination of text and fantastic cartoon-style illustrations. Andy and Terry live in the WORLD'S BEST treehouse! It's got a giant catapult, a secret underground laboratory, a tank of man-eating sharks and a marshmallow machine that follows you around and shoots marshmallows into your mouth whenever you're hungry! Just watch out for the sea monkeys, and the monkeys pretending to be sea monkeys, and the giant mutant mermaid sea monster... Oh, and, whatever you do, don't get trapped in a burp-gas-filled bubble..!

You're a Bad Man Mr Gum! – Andy Stanton

Mr Gum is an extremely nasty man who hates everyone and lives in a disgusting tip of a house.

His garden, though, is immaculate and beautiful. And this is because if he lets it get out of control, an angry fairy who lives in his bathtub comes and whacks him over the head with a frying pan. So when Jake the dog, a bouncy, friendly animal beloved of the whole town, decides that this garden is the perfect place to play in, Mr Gum isn't best pleased!

This story, the first in a series, is utterly surreal, completely daft and extremely funny. A fresh and hilarious read by Andy Stanton.

My Name Is Not Refugee- Kate Milner

A young boy discusses the journey he is about to make with his mother. They will leave their town, she explains, and it will be sad but also

a little bit exciting. They will have to say goodbye to friends and loved ones, and that will be difficult. They will have to walk and walk and walk, and although they will see many new and interesting things, it will be difficult at times too.

Great Women who Changed the World – Kate Pankhurst

Discover fascinating facts about some of the most amazing women who have changed our world.

Fly through the sky with the incredible explorer Amelia Earhart, and read all about the wonderful adventures of Mary Seacole. Bursting full of beautiful illustrations and astounding facts, this book is the perfect introduction to just a few of the most incredible women who helped shaped the world we live in.
