Dear Parent/Carer,

Library Books - Years R-1

As we are approaching the end of term, we ask that all reading books are returned so that we can do our usual stock check. As you know, books are expensive and we can't afford to lose any so it is important we gather them in before the Summer Holidays.

Please be reassured that your child will not go without a book until the end of term; there are classroom libraries for your child to be able to select a book during reading opportunities in the day. When at home, your child is able to access online books via Oxford Owl. An account may need to be created in order to access the free ebooks.

Please ensure your child's reading books come to school with them by **Tuesday 21st July**, a fine will be charged to your ParentPay account for any outstanding books by the end of the term.

Many Thanks,

Miss L Hawkins
Library Lead
