Dear Parents/Carers,

Permission to Walk Home from School/Bring Mobile Phone

In Year 6 your child is able to leave school at the end of the day without an adult and also bring a mobile phone in to school. We do however need your written permission before either of these can happen.

Please note that the school is no longer responsible for your child once he/she has been dismissed at the end of the day, even if the child is still on the school grounds.

If the school feels that the child is being left unsupervised for too long, we maintain the right to withdraw this permission.

If your child does bring a phone in to school, it will need to be named and turned off. If your child continues to bring a phone in with no name, the office may name it for them. Phones will be kept until the end of the day when they will be returned to the pupils. Please be aware that any mobile phones brought in are entirely at your risk and the school does not accept any responsibility for these.

If a child is caught with their mobile phone out on the playground, parents will be informed. Should they have a phone out on the playground for a second time, they will lose the privilege of bringing a phone to school.

If you need to get a message to your child about different collecting arrangements, these should come as usual to the school office before the end of the day.

Please complete the online form to give your consent: <https://forms.cloud.microsoft/e/zjthDAS6LS>

Yours sincerely,
