Dear Parents/Carers,

Welcome to the start of term at High Wycombe Church of England Combined School. I hope you and your families had a wonderful, relaxing summer and created many special memories together.

I am writing to express how delighted and honoured I am to be joining the school community as your new Headteacher this term. Having spent time getting to know the school, its wonderful values and its fantastic staff over the recent months, I could not be more excited about the journey ahead of us.

At the heart of every great school is a warm, supportive partnership between home and school. My primary goal as we start this new academic year is to ensure that every child feels safe, valued and inspired to reach their full potential. I am deeply committed to maintaining the high standards and vibrant environment you know so well, while working together to create even more opportunities for our pupils to flourish.

I know that a change in leadership can bring questions and I want to reassure you that I will be a visible, approachable presence around the school. You will see me at the gates most mornings and afternoons - please do stop by, say hello and introduce yourselves! I am eager to listen, learn and hear your thoughts on what makes our school so special to you and your children.

Thank you for the warm welcome I have already received from so many members of the school community. I look forward to working alongside you to make this upcoming school year a happy, successful and memorable one for all our children.

Warmest Regards,

Mrs Beverley Accastello

Headteacher
