Dear Reception Parents/Carers,

We are delighted at how well all our Reception children are settling into school. They are making new friends, participating in lots of lovely learning opportunities and practising the school routines. All the children have completed their part time settling in period and are now full time, so the drop off and collection routines are changing to what will now become the norm for the rest of the year.

From today, all children will enter school via the white doors on the Key Stage 1 playground, which you have already been using when dropping children in the morning. This is now the door that all children can be collected from at the end of the school day too.

Collecting children at the end of the day is a busy time. To ensure all children remain safe, please ensure the staff who are dismissing can clearly see you and you are close to the door. If you are standing too far away, the staff may ask you to come forward.

If you have a question for a member of the team, please can we politely request that you wait until all the children have been dismissed before trying to speak with staff. This will enable staff to prioritise the safety of the children before they give you their full attention.

Thank you for your continued support.

Mrs Beverley Accastello
Headteacher

Be strong and courageous: do not be afraid or discouraged for the Lord your God is with you wherever you go

(Joshua 1:9)
