Dear Parent/Carers,

Young Voices 2027 - New Date - 9th February

I am writing to let you know about a change to our upcoming **Young Voices** concert. We have been given the opportunity to attend the concert at **Wembley Arena instead of The O2**, and therefore the concert date has also changed. **The new date is 9th February.** I feel that this will be a much better experience for our children.

There are several benefits to the change:

- **A little more time to practise** the songs, which will help the children feel even more confident and prepared.
- **A smaller venue**, which means it should be easier for you to see the children during the performance.
- **Easier to get to**, both for the coach and for those coming to watch.
- We have **attended Young Voices at Wembley Arena before**, and from my experience, I feel it is a much better venue for our school and the children.

I hope that the change will not cause too much inconvenience, particularly as we are giving you plenty of notice. The change has been made with the children's experience in mind, and I really feel that Wembley Arena will be a more enjoyable venue for everyone.

If you have already ordered tickets through the parent account you set up, these can be transferred to the Wembley Arena concert, so you will not need to purchase new tickets. If the change of date means that you are no longer able to come and watch, please let me know. **I can arrange for your tickets to be cancelled/refunded.**

I am really excited about the children taking part in Young Voices, and I think Wembley Arena will provide them with a fantastic experience. Thank you, as always, for your support.

Kind regards,

KWells
