9th October 2026

Dear Parents/Carers,

We are very excited to share that our Year 1 children have been given the opportunity to visit the hospital on Wednesday 14th October as part of a special project they were involved in when they were in Reception.

The children will be walking from school to the hospital with members of the Year 1 team. During our visit, the children will have the opportunity to see the artwork they have contributed to being unveiled on the construction site hoarding. They will also be able to see the construction work taking place, including the excavators in action.

Afterwards, the children will go to the hospital cafeteria, where they will enjoy cakes and drinks and receive a special certificate to celebrate their contribution to the project.

We will leave school in time for our visit at 1.30pm and will return to school afterwards as normal.

Food and allergies

As the children will be having cakes and drinks during the visit, it is essential that we have an up-to-date food tasting/allergy form for every child.

If you have not already completed the food tasting/allergy form sent on 4th September 2026, please complete it as soon as possible. Unfortunately, children who do not have a completed form will not be able to eat food on the visit, as we need to ensure that we have the correct information regarding dietary requirements and allergies.

Be strong and courageous: do not be afraid or discouraged for the Lord your God is with you wherever you go

(Joshua 1:9)

We are really looking forward to taking the children on this exciting visit and giving them the opportunity to see their artwork celebrated, learn more about the construction work and receive their certificates!

Thank you for your support.

Kind regards,

A handwritten signature in black ink, appearing to read 'Miss Johns', written on a light-colored background.
