Friday 25th April

Dear Parent/Carer

Year 2 Trip to FSC (Field Studies Council) Amersham – weather and clothing

I am writing to remind you about the upcoming school trip to the Field Studies Council in Amersham next Wednesday, 30th April. As the day approaches, I wanted to provide you with some important details to ensure everyone has a safe and enjoyable experience.

Weather Update

The weather forecast for the day is indicating unseasonably warm temperatures, expected to reach the mid-twenties. While we are fortunate to have such pleasant weather, please be aware that despite the warmth, long trousers or leggings are still necessary due to stinging nettles and other natural hazards.

Sun Protection

As the sun will be shining brightly, it's crucial that all children come prepared with sun cream applied before arriving at school. Please ensure they use a long-wear sun cream suitable for all-day protection. We kindly request that sun cream is applied at home and not brought into school. It is recommended that the children bring a sun hat – please ensure that this is named.

Please ensure that your child brings a packed lunch (unless you have ordered one from Fresh Start) and plenty of water in a named bottle.

If you have any questions or concerns, please do not hesitate to contact me.

Kind regards,

A handwritten signature in black ink that reads 'T Caröe'.

Miss Caröe

Year 2 Class Teacher
