10th December 2024

Dear Parent/Carer

DT Fire Engine Project
Tuesday 17th and Wednesday 18th December

This half term, Year 2 have been learning all about the Great Fire of London. Our DT project, Moving Mechanisms, links to this and the children have been designing a modern, moving fire engine which they will be making next week.

The children will need to bring in an **empty** cereal box (or similarly-sized box) which will act as the main body for their engine. As a precaution, please avoid cereals that have contained nuts. Please ensure your child has brought their box into school by **Monday 16th December**.

Yours sincerely

Miss T. Caröe
Year 2 Class Teacher
