Dear Parent/Carer,

Year 4 Courageous Advocacy ~ Tom Burt's Hill
Tuesday 29th April 2025

Year 4 students will be supporting the Chiltern Rangers and their work on Tom Burt's Hill. We will meet with the rangers to learn about chalk grassland management. We will be supporting the Chiltern Ranger's to help promote wild flowers and wildlife, by maintaining the grassland habitat on Tom Burt's Hill. This will include clearing the habitat of any debris, raking grass and leaves and learning about wildflowers.

This local visit is a great way for the class to support our courageous advocacy project in the school by helping our local environment and also by learning more about our local habitats.

The visit will take place on **Tuesday 29th April 2025**. We have a morning and afternoon session. The children will be put into two groups and either attend the first or second session.

Session 1: 10:45 – 12:00

Session 2: 1:30 – 2:45

The children should come to school in uniform as usual but bring **clothes in a bag to change into** before they leave. They should bring clothes that can get dirty and a waterproof jacket. They will also need sensible shoes that can get muddy. Gloves and any tools will be provided by the Chiltern Rangers.

Yours sincerely,

Mr. R Smith
Year 4 Class Teacher
