the Lord your God is  
with you*

6<sup>th</sup> May 2025

Dear Parent/Carer,

**Year 5 Class Assembly: Space Adventure**  
**Friday 9<sup>th</sup> May**

As we approach our class assembly this Friday, I wanted to send a quick reminder and follow-up to my previous letter.

The children have been working hard, but many of them are still unsure of their lines and cues, and we need your support to help them feel confident and prepared. Please could you encourage your child to practise their lines at home every day, making sure they know when to speak and who they speak after. At the moment, several children do not yet know when their turn is, which is causing confusion during rehearsals.

We're also focusing on speaking with expression and confidence. Many of the children are reading their lines too quietly or in a monotone voice, so it would be really helpful if you could support them to speak clearly and with enthusiasm when rehearsing at home.

Finally, could all costumes be in school by **Thursday 8<sup>th</sup>** at the latest so that we can do a full dress rehearsal before the big day.

**Costumes:**

- **Narrator, Captain Star, Navigator Nebula, Astro Engineer, Assistants, Crew Member** – astronaut outfits (e.g., jumpsuits, space helmets)
- **Planets/ The Moon/ The Sun** – clothing to match the colour of the celestial object (e.g., t-shirt, leggings – sandwich boards with their planets on will be made in school)
- **Planets/ Moon and Sun Assistants** – clothing to match the colour of their celestial object
- **Black Hole and Black Hole's Minion** – all black clothing
- **Cosmic Observer** – futuristic clothing (e.g., silver, gold)
- **Planet Expert** – scientist clothing (e.g., lab coat, safety goggles)

Thank you so much for your continued support — we're looking forward to sharing our assembly with you on Friday!

Yours sincerely,

L Hawkins

Miss L Hawkins  
Year 5 Class Teacher
