with you*

18th March 2025

Dear Parent/Carer,

Year 5 Class Assembly: Space Adventure
Friday 9th May

We are excited to invite you to our class assembly about space, which will take place on **Friday 9th May at 14:45** in the **school hall** – **please arrive no later than 14:35**. The top playground will be available for all Year 5 parents/carers to park **from 14:30**. The assembly will showcase the incredible hard work and creativity of the children as they take you on an exciting journey through the stars and planets. It will be a fun and informative exploration of space, with a cast of characters including planets, stars, and cosmic explorers!

Costumes:

As part of the assembly, the children will be dressing up as various characters from our space theme. We kindly ask that you support your child in creating or sourcing a costume that reflects their role. Costume should adhere to the following criteria:

- **Narrator, Captain Star, Navigator Nebula, Astro Engineer, Assistants, Crew Member** – astronaut outfits (e.g., jumpsuits, space helmets)
- **Planets/ The Moon/ The Sun** – clothing to match the colour of the celestial object (e.g., t-shirt, leggings – sandwich boards with their planets on will be made in school)
- **Planets/ Moon and Sun Assistants** – clothing to match the colour of their celestial object
- **Black Hole and Black Hole's Minion** – all black clothing
- **Cosmic Observer** – futuristic clothing (e.g., silver, gold)
- **Planet Expert** – scientist clothing (e.g., lab coat, safety goggles)

If you need any assistance with costume ideas, please do not hesitate to reach out. I want the children to feel confident and excited about their roles.

Line Learning:

Each child has been assigned a specific role with lines to learn. I encourage you to support your child in practicing their lines at home. The children will need to be confident and clear when delivering their lines in front of the audience, so practicing will help them feel more comfortable. We understand that this is a busy time, but we appreciate your support in ensuring they are prepared for their big moment!

We hope you can join us for this exciting assembly and celebrate the children's hard work and creativity. It promises to be an entertaining and educational experience for all!

Thank you for your continued support. If you have any questions, please feel free to contact me.

Yours sincerely,

Miss L Hawkins
Year 5 Class Teacher
