Year 5 Biscuit Bake Off!

Dear Parent/Carer,

As you are aware, Year 5 are designing and baking biscuits this term. So far, we have discussed health, safety and hygiene, planned our biscuits and created our final design. The design criteria is to bake a biscuit that will appeal to children. I will provide the basic biscuit ingredients, the children will need to bring in any **additional ingredients** that will make their biscuit original e.g. a star shaped cutter, icing, food colouring, raisins, chocolate chips etc.

We will be baking and decorating over two days- so it is vital that a **named Tupperware container** is brought in to keep the biscuits fresh overnight and to transport home.

Please bring required ingredients in ready for baking by **Monday 9th December**, items can be brought in before this, as long as nothing requires to be stored in the fridge.

Children will be bringing home their planning sheets on Friday 6th December so you can see their design and help them gather items needed. Thank you for your support with this, I'm sure you'll agree the children are very excited.

Yours sincerely,

Miss L Hawkins
Year 5 Class Teacher
