Dear Parent/Carer

Rehearsals for the Carol Service at 2pm on Thursday, 12th December, 2024

Once again, we are aiming to include as many children as possible in the Carol Service. All children playing an instrument have been invited to join together to accompany the Congregational carols and have been given music to practice at home and with their instrumental teacher.

Extra rehearsals for Orchestra

I shall be holding rehearsals in the second half of Wednesday lunchtime for as many instrumentalists as possible. I would like to encourage as many of our younger, less experienced players to bring their instrument to school each Wednesday so I can give them extra support.

These rehearsals will not interfere with hot school dinners or Christmas play rehearsals.

After School rehearsals for all Carol Service Orchestra

I would like to hold two full Orchestra sessions including all children playing in the Carol Service after school on **Wednesday, 4th December** and **Wednesday, 11th December** from **3.15 – 4.15pm**.

I am aware that some children may have other commitments on these days, but it would be most helpful if as many children as possible could come so that they can enjoy playing their instrument with confidence in the Carol Service.

Finally...Extra instrumentalists

Do you play an instrument? I would love you to join in with the orchestra for our two congregational carols. It will be really inspiring for our children to have you up there with us. If you are able to join us please email the office or come and speak to me after school, you would be most welcome.

Please complete the linked Google form by 9am Monday 18th November.
