June 2025

Dear Parent/Carer,

Year 6 Food Tech

This half term, Year 6's D.T project is focussing on Maya food and chocolate. We will be making different dishes on this theme: guacamole, salsa, tortilla wraps, chicken fajita and chocolate cheesecake.

Pupils will be cooking with flour, oil, salt, chicken, onion, pepper, chilli flakes, paprika, garlic, lime, tomato, avocado, herbs, digestive biscuits, sugar, butter, chocolate, double cream, cream cheese and cocoa powder. Pupils will have the option to eat what they have made at school if they wish to.

There will be a chicken substitute of Quorn for those who do not eat chicken. Pupils will have the choice to leave out ingredients that they don't like, for example chilli flakes.

Please complete the linked form by Friday 20th June.

If we do not receive a response, your child will be unable to taste the food. Pupils do not have to eat what they have made if they don't want to even if they have permission.

If you have any queries concerning the above, please contact me at your earliest convenience.

Many Thanks,

Miss Collins
