9th December 2024

Dear Parent/Carer

Bikeability Level 2 Training – Year 5 & 6 24th to 26th February 2025

An action in our 'Travel Plan' was to bid for funding towards the cost of Bikeability Training, we have been successful and would therefore like to offer your child the chance to take advantage of learning this important life skill.

I have attached a letter from 'BeSpoke Cycling' who run the course which outlines the finer details of the course and its value. There is a link and a QR code to enable you to sign your child up for this training course.

As a school, we believe that safety is paramount so we are advising that children **must** wear a helmet which **must** be provided by yourselves.

There is a limit on places, so please reply as soon as possible.

The cost of the course is £10 per child. If you would like your child to take part, please ensure you have signed them up via the link on the letter from 'BeSpoke Cycling' before **9am January 13th 2025**. We will set up a parentpay item for those children participating and this should be paid by **Monday 3rd February 2025**.

Yours sincerely

Mr Ryan Smith
Travel Plan Lead
