the Lord your God is
with you*

September 2024

Dear Parent/Carer,

Year 6 Courageous Advocacy ~ Tom Burt's Hill
Tuesday 24th September 2024

Year 6 students will be supporting the Chiltern Rangers and their work on Tom Burt's Hill. We will meet with the rangers to learn about chalk grassland managements. We will then do some raking and go on a wildlife walk.

This local visit is a great way for the class to work on their courageous advocacy project by helping our local environment and also by learning more about our local habitats.

The visit will take place on **Tuesday 24th September**. We will leave school at 9:45am to walk to Tom Burt's Hill and we will be back in time for lunch.

The children will be outside. They **do not wear school uniform**, pupils should wear clothes that can get dirty and bring a waterproof jacket. They will need sensible shoes that can get muddy.

Biscuits provided.

Yours sincerely,

Miss E. Collins
Year 6 Teacher
