with you*

October 2024

Dear Parent/Carer,

Cut Your Carbon Campaign

Throughout November, the eco-committee are challenging pupils to complete six small carbon-cutting activities at home. These actions will reduce your emissions and benefit our planet!

1. Make 5 miles of travel 'active'

2. Go plant-based for a day

3. Turn down the heating by 1° for a week

4. Buy nothing new for 1 month

5. Substitute 4 baths for 4 showers and limit them to 4 minutes

6. Switch off all non-essential electrical devices for an hour

At the end of the month, pupils can record which challenges they have completed by filling in this Google Form. <https://forms.office.com/e/cZtgrqDpKu>

We will record how many challenges we have completed together as a school and feedback to the Cut Your Carbon Campaign to be in with a chance of winning a mural for our school!

Yours sincerely,

Miss E. Collins
