Dear Parent/Carer

Parents Voluntary Contribution

High Wycombe Church of England School, along with many others, has been adversely impacted by the cost of living crisis and seemingly ever-increasing costs and so it is sometimes necessary to make difficult decisions on a purely financial basis. The Governors and I therefore decided to ask parents to consider making a voluntary contribution.

We appreciate that the economic climate is more volatile than ever before and understand that we all have to prioritise expenses but we would ask that, if you feel you are able, you consider a voluntary contribution to the school.

These contributions enable us to provide items which are required throughout the school year as we encourage the children's interest in learning. It tends to be smaller items that enhance and enrich their learning, perhaps through cooking, experimenting, creative or musical activities which may not otherwise be possible.

For example, last year the contributions were spent on items such as Christmas Party prizes, crackers for Christmas lunch, resources for Science lessons, gardening resources including childrens gloves and seeds, prizes for Black History Month

We are, of course, very grateful to the Friends for all their support and appreciate their significant contribution each year.

These parent voluntary contributions differ from the donations that some of you kindly make to the Governor's Fund. The Governor's Fund is primarily used for larger premises projects, such as the recent repair to the school roof.

If you would like to contribute, we would be delighted to receive any amount, however small or large! Donations may be made on Parent Pay "Voluntary Contribution 2024".

Thank you for your support.

Yours sincerely

Mrs C Hawkins
Headteacher
