September 2024

Dear Parent/Carer,

I am pleased to inform you that during the first week of October, our school will be participating in the *NSPCC Kindness Challenge*. This initiative is designed to help children understand the importance of kindness and how small, thoughtful actions can make a big difference in the lives of others.

As part of the challenge, all children will receive a special *Kindness Challenge* sheet to take home. This sheet will encourage them to complete acts of kindness both at school and at home. We hope that this activity will inspire discussions around empathy, respect, and caring for others.

Please encourage your child to participate fully and help them record their kind acts on the sheet. Once completed, they should return the sheet to school so we can celebrate their contributions as a community.

Thank you for your support in helping us nurture a kind and thoughtful environment for everyone.

Kind regards,

Miss Johns  
Assistant Headteacher
