Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p><b>Ofsted report 2017:</b> The primary physical education (PE) and sport premium funding is used well to promote pupils' participation in sport. Specialist PE teachers have improved pupils' skills in sport and raised class teachers' coaching abilities. Pupils enjoy a wide range of sporting activities, including dance and gymnastics, and participate in a good number of sporting competitions. Leaders are also promoting walking to school as part of a healthy lifestyle. Several pupils proudly displayed badges achieved by walking to school.</p> <p>Pupils spoke of the need to make healthy choices when eating and the need for regular exercise. Several pupils proudly pointed out the badges they were wearing for completing a month-long walking challenge.</p> <p>The outside area is relatively small and cramped, but the Reception leaders have begun to transform it into a more exciting space. For example, the race track for trikes, alongside the mural of a sports stand, has transformed an otherwise dark and dull area.</p> <p>The school meets requirements on the publication of specified information on its website.</p> <p>YST Quality Mark Silver Award July 2017</p> <p>School Games Award</p> <p>YST Member school since 2012</p> <p>LEAP (County Sports Partnership School) since 2014</p> <p>Impact report 2016-17 (see school webpage – Sports Premium Section)</p>	<p>Update to the new PE &amp; Sports Premium Template October 2017</p> <p>Work towards YST Quality Mark Gold for 2019</p> <p>School Games Award available May 2018 (sign up for <a href="http://activeschoolplanner.org">activeschoolplanner.org</a>)</p> <p>Inclusive Health tool on YST Members Dashboard</p> <ul style="list-style-type: none"> <li>• School Sports Partnership Scheme (Bucks Sport - LEAP)</li> <li>• Sports Festivals – All Year Groups</li> <li>• PE Competitions</li> <li>• Active Playtimes</li> <li>• Developing Healthy Lifestyles</li> <li>• Football coaching KS1 and KS2 (External coach)</li> <li>• Netball coaching (External coach)</li> <li>• Dance Coach (External coach)</li> <li>• PGL – Residential Trip for Year 6</li> <li>• Willen Lake – Water Sports Trip – Year 5</li> <li>• School Sporting Trips (transport costs)</li> <li>• Sports Week – external coaches and healthy lifestyles activities</li> <li>• Resources to support active playtimes</li> <li>• Resources to support new initiatives (E.g. Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	50%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	37%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	73%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/ <b>No</b>
