Dear Parent/Carer

## Milk Provision In School

We can arrange for milk to be delivered from a local dairy for the children to have during their mid-morning break at a cost of around £20.00 per child per term. A company called 'Cool Milk at School' delivers the milk to school daily in 189ml cartons which will be kept in a fridge at school until breaktime. All payments and administration are handled direct by Cool Milk at Schools.

Children under 5 years of age are entitled to have milk free of charge each day through the Cool Milk scheme. Free milk provision for these children will stop the Friday prior to their 5<sup>th</sup> birthday, when parents will be automatically sent a letter from Cool Milk offering the option to either cancel the milk, or to continue on the parent payment scheme.

### How to register

#### If your child is under five:

- Register online at [www.coolmilk.com](http://www.coolmilk.com)
