May 2025

Dear Parent/Carer

Hot School Meals

Fresh Start are our Hot School Meal Providers and you are able to order free Hot School Meals for your child either every day or just occasionally – choose from the Fresh Start menu.

Hot school meals are provided free to all children in Reception, Year one and Year two, you just need to order the food they would like.

During the Summer Term, we will send your child's full name to Fresh Start and they will produce 'Welcome Letters' for the children starting in September. These letters will be emailed to you so that you can register and you must 'claim' your child before the end of the term. The 'Welcome Letter' will contain full details of the process.

Once registered, you will be sent a reminder from Fresh Start to order any Hot School Meals for September. Please note that the first day your child will need a Hot School Meal is Wednesday 10th September 2025.

Yours sincerely

Celine Hawkins
Headteacher
