*Be strong and  
courageous.....for  
the Lord your God is  
with you*

Dear Parent/ Carer,

Our school will be taking part in the Bikeability Trust Cycle to School Week on the 13<sup>th</sup> October 2025. This nationwide event is organised by cycling charity 'The Bikeability Trust' and designed to help pupils experience first-hand the importance of cycling to school.

The Bikeability Trust Cycle to School Week is an initiative that promotes cycling as a preferred mode of transportation for school children. It is designed to highlight the numerous benefits of cycling, including improved physical fitness, better concentration in school, and a positive impact on the environment by reducing carbon emissions.

Cycle to School Week promotes safe cycling and encourages students to choose cycling as a fun, healthy, and environmentally friendly way to get to school. This initiative aims to foster a love for cycling among children, promote physical activity, and reduce traffic congestion around schools.

### **What do I need to do as a Parent/Carer?**

We would ask, if possible, to make arrangements so that your child/children can cycle to school, helping our school reduce congestion and pollution around the school gates. In return, your child will earn special certificate!

Thank you in advance for your cooperation
