September 2025

Dear Parent/Carer,

Year 4 Litter Picking
Wednesday 8th October 2025

On Wednesday 8th October in the afternoon, Year 4 will be going litter picking around Loakes Road and Tom Burt's Hill. This will form part of our Science topic of Living Things and Their Habitats and learning how humans have an impact on their environment. We will be investigating how much litter is dropped in our local area and how much of each type of litter, for example plastic, paper and cigarettes. We will then analyse this data and discuss how we can lessen the negative impact that humans have on the environment.

We will be out for approximately half an hour. If there is heavy rain, the litter picking will be rearranged for another day. Pupils can bring a change of shoes if they would like which may get muddy dependent on the weather and ground conditions.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'E Collins'.

Miss E Collins
Year 4 Teacher
