

Packed Lunches for School Trips etc

Fresh Start, Our Hot School Meal provider, are able to provide packed lunches for classes when they are leaving the school premises for trips, sporting events etc. for the same price as a Hot School Meal.

This option is available to all children who are registered with Fresh Start whether they are entitled to Free School Meals or not.

The school will inform Fresh Start of the dates and classes involved in any events once they are confirmed. At this stage you need to order any Hot Meal which will then be changed to the Packed Lunch option that you chose when you registered.

The packed usually lunch consists of:

- Ham or Cheese Sandwich
- Savoury Snack
- Crudities
- A piece of fruit
- Cookie or piece of cake

No drink is included with the packed lunch, so please ensure your child has a bottle of water provided by yourself.

Please be aware that packed lunch substitution is only when a child has a Hot Meal ordered on the same day as a planned trip that the school has told Fresh Start about and Meal Replacement option chosen. If you have not ordered a Hot Meal for that day, you will need to provide your own packed lunch from home.
