October 2025

Dear Parent/Carer

**Forest School – Autumn Half Term 2**  
**Living Things and their Habitats**

On Wednesday 5<sup>th</sup> November, the first Wednesday back after half term, Year 4 will start their Forest School curriculum in the woods at the foot of Tom Burt's Hill, a short walk from the school.

Year 4 will take part in this activity every Wednesday afternoon for a 5-week unit, with their last session being Wednesday 3<sup>rd</sup> December.

As we are also swimming on a Wednesday, Year 4 will **come into school wearing suitable clothing for outdoor conditions** (tough and waterproof clothes that you don't mind getting dirty – including suitable footwear). Please note that Forest School will still occur even when it is raining so waterproof garments will be essential as will sunhats and suitable sun protection in warmer weather. Children should bring their swimming costumes into school. After swimming, they will get changed back into their Forest School clothing, this is to minimise the amount of times the children will need to get changed during the day.

If you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely,

Miss E Collins  
Year 4 Teacher
