courageous.....for
the Lord your God is
with you*

November 2025

Dear Parent/Carer,

Friendship Week

We are delighted to let you know that our school will be celebrating **Friendship Week** from **10th–14th November**.

Throughout the week, our **Peer Mentors** will be leading discussions and organising activities for the whole school. This will be a wonderful opportunity for everyone to reflect on the importance of friendship, kindness, and inclusion, and to strengthen the positive relationships within our school community.

We look forward to a fun and meaningful week together

Children in Need, Non -Uniform Day ~ Friday 14th November

BBC Children in Need will be taking place on Friday 14th November. The charity's vision is that every child in the UK has a wonderful and healthy childhood which includes:

- Feeling happy and secure
- Having the chance to reach their potential
- Feeling comfortable

They provide grants to projects in the UK which focus on children and young people who are disadvantaged. They are local to people in all corners of the UK and support small and large organisations which empower children and extend their life choices. The theme this year is 'SPOTacular'! Every child is encouraged to wear something spotty. It could be a t-shirt, jumper, trousers, socks... the possibilities are endless!

The suggested donation is £1 and all profits will go to Children In Need charity.

We look forward to seeing you all taking part and thank you in advance for all your support.

Yours sincerely,

Angela Margerison

Mrs A. Margerison

Assistant Headteacher, Year 5.
