Dear Parent/Carer

Year 4 Pizza Food Permission

This half term, Year 4's D.T project is making pizza. We will be learning about how we can make a healthier pizza at home instead of buying a shop bought pizza or getting a takeaway.

Pupils will be cooking with gluten free flour, Greek yogurt, tomatoes, mozzarella cheese, cheddar cheese, red Leicester cheese, sweetcorn, peppers, pineapple, mushroom, olive, courgette and basil.

Everything will be gluten free, vegetarian and Halal.

Before planning and making our pizzas, pupils will taste test the different toppings. Please complete the linked form by Friday 14th November to give your child permission to eat the different toppings.

If we do not receive a response, your child will be unable to taste the food. Pupils do not have to eat the toppings if they don't want to even if they have permission.

The final pizzas will be made on Monday 8th December. Pupils will bring their pizzas home in a pizza box to be cooked at home.

If you have any queries concerning the above, please contact me at your earliest convenience.

Yours sincerely,
