November 2025

Dear Parent/Carer,

Year 4 Walk Around Tom Burt's Hill
Friday 7th November 2025

As part of their courageous advocacy project, Year 4 are going to be School Woodland Ambassadors. To do this they will share their enthusiasm for trees and spread the word that woods are amazing. Trees clean our air, make homes for wildlife and provide places for people to play and relax. Year 4 are going to spread the message that we all need trees.

While on their walk around Tom Burt's Hill, Year 4 will what trees we can identify. We will use magnifying glasses to look at the leaves and we will investigate the texture of different barks.

Please can your child bring a coat with them to school in the event of light rain, they can also bring in alternative footwear if they would like. In the event of heavy rain, we will not go to Tom Burt's Hill.

Yours sincerely,
